## BEAUTY & ESSEX

LOWER EAST SIDE

Beauty & Essex is available for all variety of events, from intimate dinners for 12 up to cocktail events for 550 people. The restaurant sits behind a functioning pawn shop and has a full service bar on both floors, as well as 4 dining rooms and a lounge area. Each of our spaces can be reserved semi-privately or combined for full floor and restaurant buyouts.

Unique on the Lower East Side, the atmosphere of the 10,000 square foot space is both grand and intimate, moody and effervescent. Various rooms for lounging and dining unfold on two floors, like a large turn-of-the-century townhouse. Each room has its own unique elements that celebrate timeless jewelry designs and upscale jewelry stores. The space is truly versatile and is ideal for corporate events, fashion shows, reward dinners, movie premiere parties, and film shoots.

Chef Chris Santos' small plates menu multi-ethnic in inspiration, casually elegant, and designed for sharing among friends and family. We offer both seated, family-style meals as well as brunches and dinners served in a more casual, passed appetizer style.
