SALES BROCHURE

# EXACTLY LIKE NOTHING ELSE

We are delighted to announce a partnership for a first-of-its-kind concept in London, with new independent luxury hotel, The BoTree. Tao Group Hospitality will oversee all of the food and beverage outlets in the 199-room hotel, including LAVO, which will make its UK debut at The BoTree where Marylebone, and Mayfair and Soho meet, opening in September 2023.

Set to be one of London's hottest launches, LAVO, The BoTree's signature restaurant, will serve sophisticated Italian cuisine with coastal flair. Having perfected a signature style and earned a loyal following in Los Angeles, LAVO is set to delight guests at its new location with its renowned signature dishes, fresh pasta made in-house; whole grain pizzas, fish and more.

The menu, created by the group's Chief Culinary Officer Ralph Scamardella, will be executed by Culinary Director Stefano Lorenzini. Hailing from San Severino Marche in Italy, Chef Stefano has over 24 years of experience in the culinary world, working at venues such as Santini, Cecconi's Mayfair, Shoreditch House, and ME London Hotel before moving to New York and becoming Executive Chef for Tao Group Hospitality.
