GONG HEI FAT CHOY

## GONG HEI FAT CHOY

2024 welcomes the Year of the Dragon. As the only mythical creature in the Chinese zodiac, the Dragon is highly respected, and is a symbol of kindness, good fortune, ambition and honour. 2024 will be a year of transformation, growth, abundance and prosperity; everything will thrive.

Yauatcha is celebrating this lunar year with an exclusive signature menu, designed to embody the personality of the Dragon. It is a showcase of dishes featuring auspicious ingredients, believed to bring good fortune, strength and health in 2024. A special dragon-inspired cocktail, petit gâteau and macaron have also been designed in celebration of the new lunar year, alongside our traditional pineapple pastries that are available, symbolising good fortune and luck during the festivities.
